

## Immigrant Family Resource Program Contact List

### Illinois Coalition for Immigrant and Refugee Rights

The Immigrant Family Resource Program is a partnership between the IL Department of Human Services, the IL Coalition for Immigrant and Refugee Rights, and community-based and ethnic organizations across Illinois. Partners are available to provide outreach, information and referral, case management, and interpretation/translation services, especially for IDHS services. If you are in need of an interpreter for IDHS services, please contact one of our partners below. While these are not a language lines (i.e. immediate access), partners are available for interpretations when given sufficient notice.
