

iPad apps

at IPPL

Citizenship Apps

U.S. Citizenship Test & Flash Cards

Study for the U.S. Citizenship test.

Dictionary Apps

Cambridge Advanced Learner's Dictionary

Learn the definitions of words.

Longman Phrasal Verbs Dictionary

Shows how to use phrasal verbs and includes grammar, synonyms and opposites, irregular verbs, and more.

WordNet Advanced English Dictionary and Thesaurus

Learn words and synonyms.

Education Apps

Brain POP

Watch short movies on topics like the U.S. Constitution, credit cards, nutrition, etc. and then quiz yourself on what you have learned.

Flashcardlet

Download flashcards on practically any topic and study. Includes flashcards for TOEFL.

Geography Apps

Discovery U.S. Geography

Learn about geography then quiz yourself.

GeoBee

This app by National Geographic quizzes students on geography.

National Geographic World Atlas

Zoom in and out as you explore a map of the world, calculate distances between two places, and learn location details like population, languages, and more.

Stack the Countries

A game where you answer questions about countries and then stack them on top of one another.

Stack the States

A game where you answer questions about the states of the U.S. and then stack them on top of one another.

Grammar Apps

Cambridge Essential Grammar in Use Tests

Test and develop your understanding of elementary English grammar.

Conversation Builder

Similar to Story Builder, students look at pictures and are prompted to record answers to questions that become a conversation.

Preposition Builder

Practice using prepositions.

Question Builder

Learn to answer questions.

Sentence Builder

Learn to create sentences.

Story Builder

Look at pictures and record your answers to a series of questions that can be played back as a story. Story Builder helps students form paragraphs and integrate ideas.

Wordventure

You are asked to supply different types of words (verbs, adjectives, adverbs, etc.) which are then inserted into a story, just like Mad Libs.

History Apps

History Tools

Tells what events happened on a particular day in history including events, holidays, births, and deaths.

On This Day

Tells what happened on this day in history, including births and deaths. The app updates to include current events.

Microsoft Apps

Quickoffice

Log in with a Google email address and edit Microsoft documents.

News & Magazine Apps

News360

Select the topics you are interested in reading about and the app finds articles about them. Topics range from “politics” and “local news” to “geek culture” and “zombies.” You can even search for new topics.

NPR News

Listen to or read news from National Public Radio.

USA Today News

Read USA Today articles. Tap “snapshots” to learn quick facts.

Zinio

Read magazines.

Pronunciation Apps

Dragon Dictation

Speak into the microphone and the words will appear on the screen.

Speak It

Type in words and phrases and hear them spoken.

Translation Apps

iTranslate

Speak into the microphone and hear your speech translated into any of 81 languages.

Vocabulary Apps

Dabble

A game where you must spell five words from 20 letters as quickly as possible.

SAT Vocab

Study the definitions of new words then play games to test your knowledge.

Scrabble

Practice forming English words as you play against an opponent or the computer.

TOEFL Smart Vocab

Study the definitions of new words and then take a test.

Word a Day

Learn a word a day and skip up to three days in advance.

Word Wit

Learn to distinguish between words that are often confused for one another. For example (assure and insure, faze and phase, ambivalent and ambiguous, etc.).
